Hi Eileen,

Thank you for progressing this. In response:

Septic Tank

Please include as suggested. I am in agreement.

Barn

We don't have any photos of the barn before works to repair commenced. Get Mapping as used by Heritage gives an indication, alongside the images shown on the planning drawings. The schedule is simply:

- Repointing and repairs to plinth
- Repairs and replacement (in part) of weatherboard
- Repairs and replacement (in part) of slate roof

Everything else is unaltered.

Ecology

I appreciate your logical assessment here.

Kind regards,
