Planning

This house-holder planning application with listed building consent seeks planning approval for minor alterations to those already approved and implemented under DC/20/05824 and DC/20/05825).

The changes are solely related to the fenestration on the rear (east) elevation together with the introduction of a new picture window on south elevation (in lieu of previously approved corner in-fill extension – no longer required by applicant). All of these are identified on the submitted plans and elevations.

Materials

These are sated on the submitted externals materials schedule and are intended to remain as previously approved and implemented under DC/20/05824 and DC/20/05825) and subsequent discharge of conditions application ref: DC/21/04037.
