Comment Details

Commenter Type: Neighbour response

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:the whole application should be blocked and re submitted. The variations are fundamentally different from the original application covering length of residency, size of amenities which have grown in number, size and height. The provision for staff accommodation means permanent accommodation and the increased facilities would not only result in increased noise disturbance but also increased traffic as people who arent on site will travel to use the enlarged facilities
