Please describe the non-material amendment(s) you are seeking to make
The client would like to add two flat roof lights to the extension roof. They are simple in nature and do not exceed the approved roof height. Proposed skylights to be 1500mm x 1000mm triple glazed. https://saris-extensions.co.uk/product/triple-glazed-skylights-1500x1000
Please state why you wish to make this amendment
The roof lights would bring more light into the space - more specifically at the existing house end of the extension which is likely to be quite dark without a roof light. It is felt that the roof lights will support sustainable living as they will negate the need for electrical lighting during the day, particularly during the winter months. Electric blinds to be fitted internally to protect from excess heat in the summer.
