Notification of Intended Works to Trees within a Conservation Area

Conservation Area:

Description of works: T1 Sycamore - Remove ; T2 Hawthorn - Rebalance co-dominant stem growing out towards the pond by up to 1.5m to tie in with shape of other stem and remove any dead branches from the top; T3 Horse Chestnut - Remove top back to where there is a distinct line of healthy canopy approx 5m from the top and prune top edges lightly to shape in new top; T4 Horse Chestnut - Crown Raise to 2.4m; T5 Irish Yew - Prune back right hand side of canopy back by 1.5m; T6 Elder - Remove self set elder to a low stump and install eco-plugs to prevent re-growth; T7 Horse Chestnut - Crown Raise to 2.4m.

Location: Moat House , Walcot Road, Newton, Sleaford, Lincolnshire

Dear Mr Johnson,

I acknowledge receipt of your notification of intended works concerning the above validated on 27.07.2023. We have six weeks from the date we received this notification to consider making a Tree Preservation Order on the Tree(s) but we are not restricted from doing so after this six week period. If you have not had any correspondence from us after 6 weeks from the date your letter was received by us, please contact me.

An Officer from this Authority will be visiting the site to access the proposal.

If you would like any further information about this letter or our procedures, please contact me.

Yours sincerely

Graham Wilson
Tree Officer
Development, Economic and Cultural Services
