 Do not scale, use figured dimensions only. All dimensions are to be verified and checked before the commencement of any shop drawings or work whatsoever, either on his own behalf or for sub contractors or suppliers. Any discrepancies must be reported to the Architect immediately. This drawing is to be read in conjunction with all related architectural, engineers' and specialist drawings and other relevant information. If printing from electronic copies, ensure print scaling is set to "None" to ensure correct scaling of drawing.
