Dear Sir/Madam

South Cambridgeshire District Council
Application for Works to Trees Protected by a Tree Preservation Order

Proposal: Cypress group - reduce height of tallest section by 4-5m, trim on house side, trim on both ends and round corner as far as possible

Site address: Wayside High Street Whittlesford Cambridgeshire

Your client: Mrs Maitland

I have checked the above application received on 31 July 2023 and am currently unable to register it as a valid application as it does not meet the requirements detailed on our published validation checklist.

What you need to do

The following item(s) need your attention:

0. Does not appear to clearly identify or specify all the tree works. As discussed we will require a measurement on the areas to be 'trimmed' be it in centimetres or metres. We await clarification of the specification as soon as possible which you can do by emailing to this address.

A decision on your application will be delayed
