Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including any change of use
A new kitchen walk in fridge which did not fit in the internal space within the commercial kitchen. The best and shortest distance to the kitchen for the unit was found in the car park adjacent to a walk way which leads directly to the kitchen entrance, this also being the designated kitchen delivery drop off area. A concrete plinth foundation was placed to raise the unit off the ground to keep level and maintain from ground damage, as well as a wooden housing structure to keep the fridge protected from weather elements, to also act as a visual aid to better its look as guests arrive to the carpark.

With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
