

FRONT ELEVATION

## NOT

Do not scale from this drawing. Only figured dimensions are to be taken from this drawing.

Contractor must verify all dimensions on site before commencing any work or shop drawings.

Report any discrepancies to the architect before commencing work. If this drawing exceeds

the quantities taken in any way the architects are to be informed before the work is initiated.

Work within the Construction (Design & Management) Regulations 2015 is not to start until Pre Construction Health and Safety Information has been produced by the Principal Designer and a Principal Contractor has produced a Construction Phase Health and Safety Plan.

This drawing is copyright and must not be reproduced without consent of BSB Architecture

This drawing originates from the CAD file:
