Please state why a Lawful Development Certificate should be granted
Substantive Evidence has been provided in the form of originally 4 Sworn Witness Statements and now 5 and Exhibits referred to; confirming that Building Operations have been carried out since 1998 for the Office Area and 2002 of the building as described and as shown on the Drawings have all been completed by at the latest 31 May 2017 and the majority by 2010. This Building Operation has created the transformation of part of an Original Agricultural Building into a small office and a two bedroom dwelling place with kitchen, toilet area and sitting room thereby constituting a "change of planning status" of the Building A detailed Planning Statement also accompanies the Application.

Queries have arisen as to what is required. On 18 May 2023 it was stated in an email from BDC:
"The lawfulness the LPA is being asked to consider is still not clear to me. It is noted that the fee paid via the planning portal and the category chosen relates to that of a material change of use. Therefore, it seems appropriate that the reason box should also include an existing use":
MY RESPONSE This with the greatest respect is a mistaken concept. Firstly the Application category was for a Certificate of Lawful Development which incorporates Building Works so the correct button above has been used An application has been submitted as follows for the Operational/Building Works externally and internally:
"Extensions to form a porch and kennel; operational development to convert; thereby changing the "Planning Class" of part of the original building both internally and externally from agriculture, into an independent Class 3 dwelling place with a porch, kennel place and home office to create a single planning unit"
This is based upon: An Application for a Certificate of Lawful Existing Development [Operations] as provided by Section 191 of the Town and Country Planning Act 1990 (As amended by Section 10 of the Planning & Compensation Act 1991).
Existing use "per se" in terms of actually living in the Development/Conversion is not being claimed.

Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. Do any of the above statements apply? ○ Yes ⊗ No **Declaration** I/We hereby apply for Lawful development: Existing use as described in the questions answered, details provided, and the accompanying plans/drawings and additional information. I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them. I/We also accept that, in accordance with the Planning Portal's terms and conditions: - Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website; - Our system will automatically generate and send you emails in regard to the submission of this application. ✓ I / We agree to the outlined declaration Signed David FELLOWS Date 07/08/2023 Amendments Summary A further check of the Planning Statement has been made and instruction received by the applicant to submit this application for determination. This application is for a Certificate that Operational Development has taken place over ten and four years ago both internally and externally and the changes created to the status of the building are now immune from action and are therefore Lawful.
