

HERITAGE Statement

The planned works are all internal to the property

There is no intention to extend, demolish or alter the exterior of the house in any way.

There is no impact on the adjacent houses or the street or any vista

We are asking for permission to add some internal stud walls to form 2 new bathrooms.

No existing internal wall will be changed in any way.

There will be no alteration to the fenestration of the house, none of the planned works will be visible from the exterior.

We plan to use 2 period doors and associated fittings to carry out the work in keeping with the rest of the property.
