Comment Reasons:

Comment: The salon is such a brilliant addition to the village, being able to walk from my home to the salon is a massive advantage! I have 3 young children and there is no other way I would be able to visit a salon outside of Hemyock, finding the time and child care for this would be hugely impractical. The salon itself is absolutely beautiful and very peaceful it's not at all overlooked. I absolutely love visiting [REDACTED] salon!
