Sinks

- Notes:
1. The contractor should check all heights, dimensions and sizes on-site before works commence and any errors reported to Woodsyde Development Ltd.
  2. Figured dimensions shall take preference to scaling, with any errors reported to Woodsyde Developments Ltd.
  3. The parking and turning area shall be constructed to a depth of 0.4m in crusher run or sub-base and maintained free from obstruction at all times such that all vehicles serving the site shall parking within the site and both enter and leave the site in a forward gear for the duration of the construction of the development.
