Dear Mr Payne,
Twyneham House, Upper Clatford

Thank you for your letter of 25th July 2023. I now enclose the requested retrospective Planning Application and accompanying documentation.

As you will see from the enclosed details my builder Rob Smith has given a full report on the replaced chimneys and lintels and as far as the glazing of the two windows is concerned I too was disappointed by the proportions of the installed windows - I agree that the fixed panes do not reflect the proportions of Georgian fenestration.

Yours sincerely,

Douglas Cooper.
