Hi Lawrence

That does sound good news and probably better for you in the long run.

I was waiting for the PM to have a conversation with the nursery, which I believe was going to be done today.

However, in the meantime – see attached proposed alternative plan showing the existing fencing being retained and the new fence installed behind.

I trust this satisfies any safeguarding issues.

Please accept this plan as the revised submitted plan for approval.

Kind Regards

Hi Roslyn.

Further to our conversation regarding the above.

How are we getting on with the amended plan?

I have good news the scheme of delegation was approved and changed by Planning Committee on Wednesday. It changes the criteria for Council applications to 6 objections before they need to go to Committee. So no need to report to this application to Committee or requirement to get the letter from nursery to remove objection unless you wish to pursue.

What I do need is the amended plan to deal with safeguarding issues to overcome the issue.

Thanks.

Lawrence Osborne
