Lawrence

In answer to your queries, the demolition is due to complete this year, however, I'm not sure what is planned for the onward development of the site.

The fencing is to remain permanently, however to keep the site secure until it is developed, can we set the hoarding to have 3yrs?

We agree to an extension however, can we suggest this to be until 26<sup>th</sup> July to allow time for the PM to visit the nursery when she returns from AL.

Kind Regards

Morning Roslyn.

Hope you are well.

Couple of matters relating to the above I need to understand please. These are:

1. How long is the security fence necessary to allow demolition of the school?
2. Can we agree an Extension of Time until Friday 21<sup>st</sup> July to issue a decision?

Look forward to your prompt response.

Kind regards.
