Dear Lisa

Re: Townley Primary School, Christchurch, PE14 9NA

I would be grateful if you could submit a Regulation 3 planning application for the above primary school.

The requirement is to replace the existing mobile, which is beyond economic repair, with an extension which will include a permanent classroom, provision of associated toilets, corridor and exit.

In addition, we will be remodelling some areas of the school to ensure they are suitable for the pupils.

To confirm, we will not be expanding the number of pupils on site.

Yours sincerely
