Categories: Natalia

Good Morning

Thank you for your correspondence regarding the provision of a classroom extension, infill extension and internal alternations to improve existing facilities at Townley Primary School. Whilst I appreciate that this work does not currently impact on pupil numbers, I would like to see an updated school travel plan for the site given that there are some family homes being constructed in this part of Fenland which may lead to an increase of NOR at the school. A school travel plan defines good road safety practice for pupils travelling to and from school and plays an important part in encouraging active travel.

Best regards

Rosemary Mullen
Road Safety Officer (School Travel Plans and Sustainable School Travel)
Cambridgeshire County Council
