Dear Sirs,

In regard to condition 6 - biodiversity enhancement please find attached the revised section which details the use of a bat friendly type 1f felt to the roof. This will provide further enhancement to which we are already proposing (additional bat box, bee bricks and sparrow terraced nest).

If you require further biodiversity enhancement the client can make a donation to the river waveney trust.

I trust this is acceptable.

Best regards

Patrick

Dear Philip,

1.
Ok, many thanks for confirming.

2.

I will get the ecologist to send the relevant information shortly.

3.
Please find attached the data sheet for the extract vent covers.

4.
Please find attached the details for the alumasc rainwater goods.

5.
Please find attached the missing construction management plan.

Also attached are the details for the oak cladding.

Best regards

Patrick
