Description

Please describe details of the proposed development or works including any change of use

I wish to alter the use of my free-standing domestic garage, in my garden, into a dog grooming parlour. I am an ex primary school teacher, currently studying to become a level 3 qualified dog groomer to work in my garage space providing dog grooming services. [REDACTED] working from home will be beneficial to us as a family.

My garage will not alter in appearance in any way. It will continue to have a garage door that will close when I am not working. I aim to work between the hours of 9:00-14:30 [REDACTED] I expect to groom up to 3 dogs per day, 5 days a week. Customers will be able to park on my private driveway when dropping off and collecting their dog.

My garage is insulated reducing the risk of any noise to my neighbours. There will be a stud wall between my reception area and the pet parlour which will also help to prevent any noise from the hair dryer (noisiest piece of equipment). I will be working with one dog at a time and providing it with plenty of attention until the owners return. No dog will be left unattended at any time.
