Details of the pre-application advice received

Good morning,

Thank you for your email below.

With regards to your query, the scale of the proposed development does appear to fall within the criteria for permitted development and therefore not requiring planning permission.

However, there are additional criteria for this including materials etc.

We would only be able to provide individual informal opinions through this email service, if you wish to have in writing that the extension does not require planning permission, I suggest that a Lawful development certificate is applied for.

This can be done using this link: Applications - Applications - Planning Portal

I hope this is of help.

Kind regards,

Dominic Bush | Planning Officer

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
 No

If yes, please provide details of their name, role, and how they are related:

***** REDACTED *****
