## Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

1. The development hereby permitted shall be begun before the expiration of the three years from the date of this permission.
3. Notwithstanding the design indicated on the approved drawings, the rooflights indicated on the northern elevation shall be "conservation rooflights" and so shall be fitted with a central glazing bar and installed so that the upper faces are flush with the surface of the adjoining roof tiles, and thereafter maintained as such as at all times.
7. Prior to the substantial completion of the works hereby approved, a plan detailing the specification and location of the ecological enhancement features recommended in the Ecological Impact Assessment (Green Ecology, July 2019), Bat Activity Survey (Crossman Associates, December 2019) and an updated Bat Activity Survey (Crossman Associates, August 2021) shall be submitted to the Local Planning Authority for approval in writing. This shall include, but is not limited to, bird boxes, bat boxes, permeable fencing and native planting. The enhancement features shall then be provided in accordance with the agreed details, and within 6 months of their agreement.
