This is an application to build a new garage and 2 small garden buildings under the rules of Class E of Town and Country Planning (General Permitted Development) (England) Order 2015. The construction would be a dual pitched building constructed of timber frame/cladding and tiled roof.

The garage will be used for general recreation, associated with the main dwelling, primarily to park our vehicles but also for storage of outdoor tools and equipment as well as a small summer room. There will be no sleeping accommodation nor shower/toilet facilities.

The outbuildings will be located more than 2m from any boundary (slightly irregular boundary but always more than 2m from any point)

The outbuildings will be 4m high at the highest point.

The eaves are no more than 2.5m high

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use of the land is a dwelling house. Permission was granted on appeal for change of use to a dwellinghouse and that is the current use of the property/land.

This application is to build a garage and 2 small garden buildings within the curtilage of the property within the rules of Class E of Town and Country Planning (General Permitted Development) (England) Order 2015

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Attached is a supporting document (called "Evidence to verify application - 3 outbuildings.pdf") highlighting the relevant sections of the GPDO and how the law relates to the proposed development.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

**Please note that following changes to Use Classes on 1 September 2020:** The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

#### Information about the proposed use(s)

Is the proposed operation or use

 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The property is already a residential dwelling. The proposed development is in line with the GPDO allowing for outbuildings associated with the main dwelling. Please see attached document, "Evidence to verify application - 3 outbuildings.pdf" for more details.

## Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- Yes  
 No

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
