

the tree is located where the red X is marked on the map.

T1 mallus to be removed due to the damage it has done to the

██████████ has requested the removal of the mallus tree labelled T1. the apple tree is located at the rear north easternly side of the property beside the house and path. the tree is now encroaching onto the property and has started to affect the roof and guttering on the house as well as the wall under the tree. the client is open to the prospect of planting a replacement tree.
