Hi John,

Hope you had a good weekend. Many thanks for making the amendments, I'm happy to approve the WSI. Let me know when you have a start date and keep me updated on what you find.

Best wishes

Hello. hope week is going well, certainly warm here in east Suffolk so avoiding site work so I can be in the garden. Attached is amended WSI, should be an easy job and I know Laxfield quite well.

Best wishes

Hi John,

All good here thanks, I'm on leave from tomorrow for the rest of the week so looking forward to enjoying the sunshine! Hope all is good with you too.

Many thanks for sending the WSI over and yes it's the extension and below-floor works within the house. The WSI is really good, my only comment is could you add a reference to the SCCAS Excavation requirements (2023) in section 1.2 and a reference to the SCCAS Archive guidelines (2022) in section 5.6 please.

Best wishes

Louisa

Hello, I hope all is well. Please see attached for my WSI for monitoring at the above site which covers a rear extension and possibly I think some internal floor lowering.

Best wishes
