Requirement to Comply With Your Conditions

Please read all of your conditions carefully. All of your conditions must be complied with. Failure to comply in full with a planning condition placed upon your permission may result in potential Enforcement Action. Planning conditions require certain things to be done at certain times, often prior to the commencement of any works. Rights of Way

The applicant is reminded that the grant of planning permission does not entitle them to obstruct a Right of Way. If it is necessary to stop up or divert a footpath or bridleway in order to enable the development to be carried out, they should, on the receipt of planning permission, apply without delay to the Local Planning Authority for an order under section 257 of the Town and Country Planning Act 1990. In either case development shall not be started until a decision has been taken on the application.

Purchase Notice

If either the Local Planning Authority or the Secretary of State refuses permission to develop land, or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonable beneficial use in its existing state, nor can they render the land capable of a reasonably beneficial use by the carrying out of any development which has been, or would be, permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Planning Act 1990, or section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990, as appropriate.

You are advised to seek professional advice before embarking on the serving of a purchase notice.

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused, or granted subject to conditions, by the Secretary of State on appeal or on reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
