Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **Conversion of barn to dwelling (revised design) at Waterfall Barn 49 Hovells Lane Northwold THETFORD Norfolk**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. Although you may have answered NO to the question on the application form which asks whether the proposed use would be particularly vulnerable to the presence of contamination, you are required to complete and submit the Screening Assessment Form, which can be found on the Council's website at www.west-norfolk.gov.uk. Please click on the following to reach the Questionnaire.

https://www.west-norfolk.gov.uk/info/20138/contaminated_land/204/planning_applications_on_contaminated_land

2. The Community Infrastructure Levy was adopted by the Council on 19 January 2017 and came into force on Wednesday 15 February 2017.

Therefore, you will need to complete the CIL Additional Information Requirement Form 1. You will need to include the applicant's details as the applicant will need to be contacted as the liable party.

The form and guidance notes are available on the Council's website at www.west-norfolk.gov.uk/CIL

Any questions, please contact our CIL Officer, Amanda Driver 01553 616443.

3. From the 1st April 2016 the Habitats Regulations Monitoring and Mitigation Contribution levy came into force. The fee must be paid at the planning application submission stage or by entering into a Unilateral Undertaking / S106 agreement if you wish to pay later.

Chief Executive – Lorraine Gore

From 1 June 2023 this was increased to £210.84. Therefore, a fee of £210.84 per dwelling, plus a £55 Administration Fee is payable on completion of a Unilateral Undertaking.

Payment in advance is charged at £210.84 per dwelling with no administration fee payable. You can either call us to make a card payment, or pay on line at <https://ip.e-paycapita.com/AIP/itemSelectionPage.do?link=showItemSelectionPage>

If you pay the fee via BACS - please quote the planning reference in the payment reference, to avoid delays.

4. A completed Section 111 form and the Shadow HRA Assessment form are required to validate this application. The forms can be found under the following link:

https://www.west-norfolk.gov.uk/homepage/379/habitat_mitigation_rams

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Miss Joanne Wren**

Yours faithfully
