Dear Sir

I have received, via email, a copy of a Cert B sent to my solicitor Jessica Lowe @ Cotswold Conveyancing Centre in respect of my mother's property 8 Foster Close, GL52 8DF. I am acting on her behalf using Power of attorney. I understand an Alan Wood has been instructed to submit a planning application for the prospective purchasers for the above property, Mr and Mrs P Brown. As they do not own the property yet, I understand he is required to serve the Cert B notice under the T&C P Act to the current owners. As he has no address for my mother or myself, he sent this to Jessica Lowe.

I would like to object to this planning application. There was no prior consultation with myself or my mother and no exchange or completion dates have yet been agreed for the sale of 8 Foster Close. We have informed the prospective buyers we are not happy to wait for planning to be granted before the sale goes ahead.

Should planning be granted would any planning permission remain for the property should this sale not progress?

Yours faithfully
