

SAUNDERS HOUSE FARM

Proposed native hedge planting
 - To be planted at a rate of 6 per linear meter
 - Where necessary stakes and guards will be used to protect new areas of planting

Notes:
 1. This drawing is subject to copyright laws and the use of this drawing is licensed by GFW for use on this project only.
 2. In the event of any discrepancies being found these are to be brought to the attention of GFW architectural team.
 3. This drawing is to be used solely for the information titled.
 4. Construction staff and operatives must ensure the main contractor has provided accurate information on all H&S aspects relating to the designs identified on the drawing, including review of designers / contractors risk assessments, method statements, permits to work and pre-construction information.
 5. The proposed layouts are subject to the following, although not exhaustive:
 - Structural and Drainage Engineers requirements.
 - Mechanical and Electrical Engineers requirements.
 - Planning, Listed Building and Building Control approvals as appropriate.
 6. Use only written dimensions for constructional purposes. Any discrepancies to be reported to the architect / project manager prior to commencement of works.
 7. Where proposed layouts are based on third party survey information. The accuracy is not underwritten by GFW.
