Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

We are looking at excavating the cobbles in front of number numbers 1 and 2 Delph lodge. We wish to lift the cobbles to put the underground cable in to facilitate an Electric Vehicle Charger and then place them back. The reason for application is because this is within a conservation area and in the demise of the title of the listed buildings but no works will take place to alter the building.

I had initial discussions with Historic England who referred me to Oldham Council, i received a generic automated email asking to seek advise from planning permissions.
