PLANNING APPLICATION DOCUMENT

This document forms part of a planning application. It represents the record of the design issued to the Local Authority planning department at a given point in time and should not be used for contractual purposes.

The design shown is a representation of the building at RIBA Stage 2-3 and as such, is not suitable for use as construction information. Please take note of the document status in reference to international BIM

standard ISO 19650.

For Contractors, Stakeholder and End User purposes related to Health & Safety and the CDM Regulations:

It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement and construction phase plan. Please refer to all pre-construction health and safety information, located on the project Common Data Environment
