
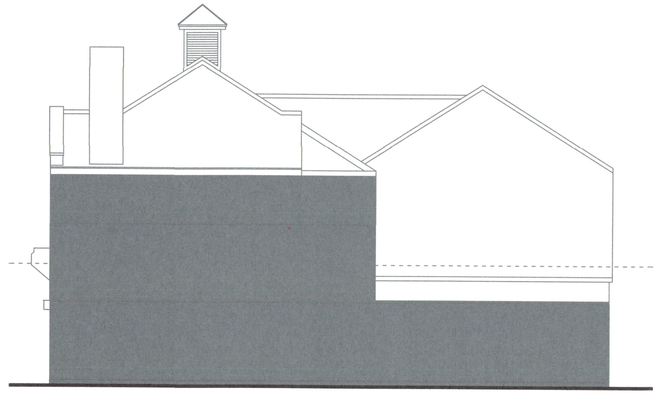
Existing Side Elevation

Existing Front Elevation

Existing Rear Elevation



Existing Side Elevation

Note:

- Low energy light fittings are to be used as in accordance with Building Control Regulations.
- All work to the boiler must be undertaken by a Corgi registered engineer.
- All electrical work undertaken must be done so by a PART P registered installer as in accordance with building control.

Contractor to fully aquaint themselves with all existing fittings, fixtures, services etc. and allow for all re-routing etc. that may be required due to the construction work.

Contractor to check and verify that there are no public sewers in close proximity to the works prior to start on site.

Local Authority Planning Permission & Building Control Approval must be approved before work is started on site.
