Commenter Type: Member of the Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: The Isle of Wight Area of the Ramblers notes that this application includes reference on the site drawings to a "Footpath" which is marked between the properties and the marsh edge. It is important that the line of this footpath within the applicants control is confirmed as dedicated in order to allow the future formation of a continuous route through the area.

The Ramblers further notes the submission from the Isle of Wight Council Rights of Way Service and agrees with and fully supports the content.
