Coward ; Louis Perrin Subject: FW: Invalid Planning Application - DC/23/04339 Dear validation Invalid Planning

Application - DC/23/04339 In response 1: the revised description is agreed. 2: there are no chemicals of note as such: we

all use chemicals in our daily lives and the planning system would only be concerned with hazardous substances of which

there are none: the treatments will involve no more products than you would find in most homes; home. 3: enclosed; 4:

the applicant (copied) will pay the top up fee and send the receipt. Regards Ian -- [REDACTED]
