Technical
Use figured dimensions, DO NOT SCALE. Prior to use always ensure that the most up-to-date revision of the drawing is being used. This drawing is to be read in conjunction with separate Building Regulation Notes or Specifications and any separate drawings and details that have been produced by J Redman Architect for the same project. All drawings, notes, details and dimensions are to be checked prior to starting work and any discrepancies are to be reported immediately to J Redman Architect. IF IN DOUBT ASK!

Notwithstanding the representations on this drawings, all foundations, structural members and structural details are to be designed to comply in all respects with the Construction and Building Acts, and all their amendments. The contents of this drawing are subject to advice, details and specifications from a structural consultant before implementation. J Redman Architect cannot be responsible for accuracy if issued from any location other than their offices.
