Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. The Community Infrastructure Levy was adopted by the Council on 19 January 2017 and came into force on Wednesday 15 February 2017.

Therefore, you will need to complete the CIL Additional Information Requirement Form 1. You will need to include the applicant's details as the applicant will need to be contacted as the liable party.

The form and guidance notes are available on the Council's website at www.west-norfolk.gov.uk/CIL

Any questions, please contact our CIL Officer, Amanda Driver 01553 616443.

2. Although you may have answered NO to the question on the application form which asks whether the proposed use would be particularly vulnerable to the presence of contamination, you are required to complete and submit the Screening Assessment Form, which can be found on the Council's website at www.west-norfolk.gov.uk. Please click on the following to reach the Questionnaire.

Therefore, a fee of £210.84 per dwelling, plus a £55 Administration Fee is payable on completion of a Unilateral Undertaking.

Payment in advance is charged at £210.84 per dwelling with no administration fee payable. You can either call us to make a card payment, or pay on line at <https://ip.e-paycapita.com/AIP/itemSelectionPage.do?link=showItemSelectionPage>

If you pay the fee via BACS - please quote the planning reference in the payment reference, to avoid delays.

- The fee, together with a Shadow HRA Assessment form will need to be submitted with this application please follow the link below :
