## Non-Material Amendment(s) Sought

My client wishes to move the proposed annexe 2 metres closer to the rear South West boundary as this rear boundary has no trees or bushes but my client would like to keep the young bay tree to the North West side boundary and by setting the building further back on the garden plot this tree can be kept together with the bay bush which will also help screen the annexe from the road when viewed down the side of the existing house driveway.

My client wishes to make this amendment so that the young bay tree and bay bush can grow and help to screen the annexe from the road
