Dear Mr Matthew Flynn

APPLICATION FOR PLANNING PERMISSION - DC/23/240353

Proposal: Full Planning application Change of use of land and conversion of 10GVVA for use as a new dwelling for occupation by a rural worker.

Location: Prirose Farm, Cobbledon, M1030, Soham, Suffolk IP8 7EJ

Right to your recent submission of this application were reviewed and the documentation submitted. Unfortunately your application fails to include the following particulars/documentation which is required to make the application valid:

1. Please advise what you accept to be the planning No. NH23/23/236 as it is associated with the site and display accordingly therefore please provide the plot area at 2000 or 5000 showing the position of the trailer with the site area and with the surrounding plots.
2. Please explain what the proposed use is showing the use of the plans and photographs as shown in the detail.

We would be happy to offer further advice and how to make your application valid if you would like discuss our requirements specified above for further please contact us on the number at the top of this letter.

If your application will be registered as a satisfactory receipt of the information requested above we would be grateful if you could confirm in writing (in email as acceptable) within 14 days of this letter that you intend to supply this information if we have not heard from you within four weeks from the date of this letter we shall assume you do not wish to proceed with the application and the documentation will be returned to you. Please include the above application number at the top of the details set out to us.

Yours sincerely

Philip Isbell
