To whom it may concern.

The land to the rear of Bellador has not been farmed for over twenty five years, my ex daughter in-law kept horses on the land for many years and then we used the land as a lawn and orchard.

The land was previously attached to the Title of my home but my late Husband and I gave the land to our son to build Bellador, I am fully aware of the history of this piece of land as we took over the land from my Father in-law and built our home in 1972.
