

Key Plan (1:1000)

1. Drawings must not be scaled; work only to figured dimensions.
2. Drawings must be read in conjunction with all other relevant drawings, schedules and specifications for this project.
3. All dimensions to be checked on site before and during construction by the Contractor.
4. Shop drawings of manufactured items must be approved by the Architect before work is put in hand.
5. The Architect must be notified of any discrepancies immediately.
6. If in doubt, ask!
