Dear Sir/Madam,

Rose Cottage Crafton Lodge Road Crafton Mentmore Buckinghamshire LU7 0QL
T1. Ash. Removal to ground level. As a result of historic poor work , the tree is suffering from extensive heartwood decay and is shedding limbs. We removed the top section of the stem approx 10 month ago after a limb failed (please see attached photo). After removing this we discovered that the stem is completely rotten (again please see photo of last disc cut from top).
