Branches to be removed are shown in picture A2_T7.jpg T8 - Remove small Elm tree that is growing too close to neighbour's property. See picture A8_T8.jpg T9 - Remove small Ash tree that is growing towards neighbour's property. See picture A9_T9.jpg T10 - Raise Sycamore crown by removing lower branches to give more light to garden and neighbour. See pictures A10_T10.jpg T11 - Remove small Elm tree that is growing too close to neighbour's property. See picture A11_T11.jpg T12 - Remove medium sized Sycamore tree which blocking light in fruit orchard. See attached picture A12_T12.jpg Lawn Cottage Church Lane Whittlesford Cambridgeshire CB22 4NX

Dear Sir/Madam

I acknowledge receipt of your application of 3rd October 2023 to carry out the above work. Your application was registered as valid on 3 October 2023 and we are required to deal with the application within 8 weeks.

The last date for a determination of this application is 28 November 2023. If we need longer to make a decision you may agree to an extension of time. We place great importance on working jointly with the applicant to do all we can to meet the target date for determination. If you do not receive a decision within 8 weeks and an extension of time has not been agreed to, you have the right to appeal to the Secretary of State for Housing Communities and Local Government.

It is the Council's policy to provide the opportunity for local bodies and members of the public to comment on Tree Works Applications. The appended Site Notice is to be displayed on receipt in a position prominent for the public to read. Apart from this, Ward Councillors and selected local residents are consulted; each are given 14 days in which to comment.

An Arboricultural Officer will assess your proposal and during this process any comments we receive will be carefully considered.

Data Protection – How we handle your Personal Data

The submission of applications, which include the Applicant's name and address, supporting documents and plans, forms part of the statutory register that local authorities are obliged to maintain. Where the register is kept using electronic storage, the regulations allow for the register to be available for inspection by the public on a website.

Your application including plans, supporting documents, consultation and public comments will be available to view online by visiting www.cambridge.gov.uk/planningpublicaccess and entering in the search field. Sensitive personal data, including personal telephone numbers, personal email addresses or signatures are not published on our website.

You can view our Privacy Notices at www.cambridge.gov.uk/planning-privacy-notices which provides information on how we collect, store and process your data within the different functions of the Planning Service. If you require a hard copy please contact us using the details provided at the top of the letter.

We publish many documents as part of the planning process. If you think we've got something wrong or are concerned with the way we are handling your data please contact us using the details provided at the top of the letter noting the application reference and document details and we will do our best to resolve the matter.

In the event of an appeal

You can find a Guide for Appellants at https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/710096/TPO_Guide_for_Appellants_-_May_2018.pdf. Appeals can be submitted in writing to:

Environment Appeals
Room 3H Hawk Wing
Temple Quay House
2 The Square
Temple Quay
Bristol
BS1 6PN

Tel: 0117 372 6382 or 0117 372 8812

Email: environment.appeals@pins.gsi.gov.uk

Further details can be found at <https://www.gov.uk/appeal-decision-about-tree-order/how-to-appeal>.

The Inspectorate may publish details of your appeal on the internet. This may include a copy of the original planning application form and relevant supporting documents supplied to the local authority by you or your agent, together with the completed appeal form and information you submit. Please ensure that you only provide information, including personal information belonging to you and that you are happy for this to be made available to others in this way. If

you supply personal information belonging to a third party please ensure that you have their permission to do so. More detailed information about data protection and privacy matters is available in the Guide for Appellants.

Should you need any further help please find my contact details above or refer to the guidance below.

Yours sincerely

Adrian Sargeant
Trees Officer

How is an application decided?

Senior officers decide most applications using delegated powers. Anyone can approach his or her Ward Councillor, who may be able request that the Planning Committee determines the application. Ward Councillor details can be found on our website www.cambridge.gov.uk/councillors Ward Councillors need to make a request for Committee determination within 14 days of the Weekly List of applications received which is sent to them every week.

How can I find out about progress and decisions?

- Visit www.cambridge.gov.uk/planningpublicaccess and enter **23/1162/TTPO** in search field and check the application status.
- You can also register to track this planning application and any others via the online public access planning register.
- You can view the decision notice and conditions, online via the documents tab, once an application has been decided

**CAMBRIDGE CITY COUNCIL
TOWN AND COUNTRY PLANNING ACT, 1990

For full details please find our privacy statement at www.cambridge.gov.uk/planning-privacy-notices.

The attached notice was posted onand will be displayed for a period of not less than seven days.

NOTE FOR APPLICANTS

PUBLICITY FOR TREE WORKS APPLICATIONS

Cambridge City Council is concerned to ensure that the owners and/or occupiers of adjoining properties and any member of the public who may be interested, are aware of all applications to carry out works to a protected tree and are allowed to make representations before the application is determined.

You are requested to date the site notice and display it on the site of the proposed works where it may be viewed by the public, for a period of not less than seven days. Please make sure that it is within a reading distance of the public footway. The Notice should be displayed as soon as possible.
