Comment Details

Commenter Type: Objector

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Consideration of the conservation of existing tree and land.

Objection to the proposed removal of the existing tree which provides noise reduction/barrier from the Royal Oak Pub.

Design appearance and layout.

Existing tree provides a natural backdrop to the view in keeping with the appearance and landscape of the village.

Noise disturbance and smells.

Future Intended use of the outbuilding/home office will result in noise disturbances. Outbuilding could potentially be used for multifunctional use bedrooms/cinema/games room etc.

At Cobwebs we believe in sustaining the intended natural village environment which includes all the above concerns.
