Windows

Existing materials and finishes:

The application covers windows at the front and rear of the property, the existing specification is as follows: Front: Currently aluminium, installed in the 1990s, in a sash style with top-hung openers and Georgian bar (between glass panes). The windows are white in colour with double glazing. Rear: Currently two large bay windows of aluminium construction, installed in mid 1980s, and two small windows of timber construction in need of replacement. Other windows at the rear of the property are of premium UPVC construction.

Proposed materials and finishes:

The application covers windows at the front and rear of the property, the proposed specification is as follows: Front: The proposed vertical sash windows in white are traditionally designed and constructed in timber with traditional features including horn details to frame and traditional Georgian bars to glaze sashes and window ironmongery. Rear: The proposed replacement bay windows and two small windows in white follow the traditional Georgian bar style in a flush casement design produced in premium UPVC. The windows included timber-look joints, putty-look window bars, features and detailing of a traditional window. Premium UPVC has been selected to deal with the weather in the very exposed position at the rear of the property.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
