It is considered that the proposed development of the site may be acceptable in principle subject to an appropriate scheme being submitted. I am of the opinion that the location of the development at this site may have limited harmful impact to the rural character of the site and its surroundings, however this would be subject to an appropriate design and ensuring the proposal is compatible with the site and its The location of the site, although outside of the development limits, is adjacent to the existing settlement of Great Sampford and not considered isolated. Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. Do any of the above statements apply? O Yes ⊗ No Ownership Certificates and Agricultural Land Declaration Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) Please answer the following questions to determine which Certificate of Ownership you need to complete: A. B, C or D. Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?
