3 Mature Limes (Tilia x Europea) and 1 Mature Maple (Acer platanoides) in private garden have been historically pollarded. This has been done several times over the years.

Tree No	Species	Action
T1	Lime	Crown reduction - re pollard to recent pollard point.
T2	Lime	Crown reduction - re pollard to recent pollard point.
T3	Maple	Crown reduction - re pollard to recent pollard point.
T4	Lime	Crown reduction - re pollard to recent pollard point.
