

34 Barnsley Road

Ackworth, Pontefract, WF7 7NB

First Floor (with proposed locations of pipework)

- Proposed hot/cold water feed pipes
- Direction of flow of proposed water feed pipes
- Location of shower where proposed water feed pipes will connect
- Proposed waste pipes
- Direction of flow of proposed waste pipes
- Location of toilet where proposed waste pipes will connect

Plan shows current layout of first floor.

Plan illustrates approximate route of pipework to proposed downstairs WC.

Pipes will travel downward through staircase and into WC around the end location of pipes as illustrated.

All pipework will be housed under floorboards.

**Please note, there are no proposed changes to any rooms/layouts on the first floor.
This plan merely serves to provide information about proposed underfloor pipework.**
