Is a new or altered pedestrian access proposed to or from the public highway?

- Yes
 No

Do the proposals require any diversions, extinguishment and/or creation of public rights of way?

- Yes
 No

Parking

Will the proposed works affect existing car parking arrangements?

- Yes
 No

If Yes, please describe:

Currently, Broadstone Cottage does not have any covered parking - the existing prefabricated building on site is far too small and low to be used as a garage for modern cars. Indeed, the building's low height even restricts the ease with which it can be used as a workshop. It is therefore reasonable for the Applicant to seek to provide Broadstone Cottage with a replacement garage/workshop building large enough to accommodate a modern car and some ancillary domestic workshop and storage space.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

With respect to the Authority, is the applicant and/or agent one of the following:

- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
