Details of the pre-application advice received

A non-material amendment (NMA), under section 96a of the Planning Act, can amend the description of development. For the NMA Application I would suggest requesting that the description of development be amended to remove reference to 16 Weeks:

"Temporary 16-week change of use for film making (sui generis use) to include associated placing of film sets and supporting structures on the land and vehicle parking"

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No
