Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)
There are no proposals to alter, extend or demolish the listed building. The proposed works consist of gates to restrict public access to and through Cherry Tree Court following privacy and security concerns raised by residents and instances of antisocial behaviour by non residents. One gate is proposed at the entrance to a corridor between numbers 19 and 22. Residents will gain access via remote controls. Emergency door releases will also be installed. A second gate is proposed near the steps leading from the north carpark to the bungalows and west carpark adjacent to number 9 Cherry Tree Court along with fencing to ensure effectiveness. Gates and fences will be custom made wrought iron to match existing structures on the property.
